*Patients are encouraged to use the parking building to the right of the Champlain Building. There are plenty of spaces available here and there is no additional charge to have covered parking in this lot.*

### **Directions To Bethesda, MD Surgery Center**

#### **From Northern Virginia:**

495 North across the Cabin John Bridge, also known as the American Legion Bridge. Stay in the left lanes to exit onto 270 North. Take the first exit, which is Democracy Boulevard (East). Go to the second traffic light and turn left onto Fernwood Road. At the first light, turn right into the office complex. Turn right immediately after entering from Fernwood Road and proceed through the gate, follow the arrows and the Champlain building will be the second building on the left. Be sure to use the parking garage!

#### **From Laurel, Silver Spring, College Park, Beltsville:**

Follow 495 West (Outer loop) past the Mormon Temple to I-270 N spur towards Frederick, MD. Take the Rockledge Drive exit (*this is a new exit*) and turn left onto Rockledge Drive. Proceed through three traffic lights, after the third traffic light turn right into the *third* parking gate. The Champlain building is the first building on the right. Be sure to use the parking garage!

#### **From Frederick, Gaithersburg, Germantown:**

Follow 270 South. At the 270 split follow the *Baltimore / College Park* side (left lanes). Take the first exit (Rockledge Drive) and veer to the right at the light onto Rockledge Drive. Proceed through two traffic lights (*please note - the street at the first traffic light is also named Rockledge Drive*). **DO NOT** turn at this intersection. Continue through the second traffic light and turn right into the *third* parking gate. The Champlain building is the first building on the right. Be sure to use the parking garage!
